

## § 531.213

## 5 CFR Ch. I (1–1–11 Edition)

(10) Other relevant factors.

(d) *Consideration of recruitment incentive.* In determining whether to use the superior qualifications and special needs pay-setting authority and the level at which the employee's payable rate of basic pay should be set, an agency must consider the possibility of authorizing a recruitment incentive under 5 CFR part 575, subpart A.

(e) *Approval and documentation requirements.* (1) An agency must approve each determination to use the superior qualifications and special needs pay-setting authority prior to the candidate entering on duty. Each determination must be made in writing and reviewed and approved by an official of the agency who is at least one level higher than the employee's supervisor, unless there is no official at a higher level in the agency.

(2) An agency must document all of the following for each determination to use the superior qualifications and special needs pay-setting authority sufficient to allow reconstruction of the action taken in each case:

(i) The superior qualifications of the candidate under paragraph (b)(1) of this section or the special agency need for the candidate's services under paragraph (b)(2) of this section which justifies a higher than minimum rate;

(ii) An explanation of the factor(s) and supporting documentation under paragraph (c) of this section which were used to justify the rate at which the employee's pay is set. The written documentation must explain how the factors directly relate to the rate approved; and

(iii) The reasons for authorizing a higher than minimum rate instead of or in addition to a recruitment incentive under 5 CFR part 575, subpart A.

(f) *Ensuring compliance.* An agency must establish appropriate internal guidelines and evaluation procedures to ensure compliance with the law, this section of OPM regulations, and agency policies.

### § 531.213 Setting pay upon change in position without a change in grade.

For an employee who is moved laterally (by transfer, reassignment,

change in type of appointment, change in official worksite, or other change in position) from one GS position to a different GS position without a change in grade or a break in service, the agency must determine the employee's payable rate of basic pay and any underlying rate(s) of basic pay based on the employee's new position of record, new official worksite, and the step (or relative position in range for a GM employee) in effect before the position change. If an employee is eligible to receive a higher rate under the maximum payable rate rule in § 531.221, the agency may choose to apply that rule. If an employee is entitled to pay retention, the agency must apply the rules in 5 CFR part 536.

### § 531.214 Setting pay upon promotion.

(a) *General.* An agency must set an employee's payable rate of basic pay upon promotion following the rules in this section, consistent with 5 U.S.C. 5334(b). The promotion rule in 5 U.S.C. 5334(b) and the implementing rules in this section apply only to a GS employee who is promoted from one GS grade to a higher GS grade. Consistent with § 531.206, any general pay adjustment that takes effect on the same day as a promotion action must be processed before applying the rules in this section.

(b) *Geographic conversion.* When an employee's official worksite is changed to a new location where different pay schedules apply, the agency must convert the employee to the applicable pay schedule(s) and rate(s) of basic pay for the new official worksite based on the employee's position of record before promotion as provided in § 531.205 before processing a simultaneous promotion action.

(c) *Simultaneous within-grade increase.* When an employee is entitled to a within-grade increase or a quality step increase that is effective at the same time as a promotion, the agency must process that increase before processing the promotion action.

(d) *Promotion rule—(1) General.* An agency must determine an employee's payable rate of basic pay upon promotion using the standard method in
